LAW GOVERNING SALE OF DRUGS

Sec. 16. The Board of pharmacy may in its discretion issue a permit to general dealers in rural districts in which the conditions, in their judgment, do not justify the employment of a registered pharmacist, and where the store of such general dealer is not less than five miles distant from the store of a registered pharmacist; which said permit shall authorize the person or firm named therein to sell such ordinary drugs and ordinary household remedies and in such manner and form, as the board may from time to time specify, in said district but not elsewhere, under such regulations and restrictions as said board may from time to time adopt. The board shall charge an annual fee of \$12, in advance, for such permit, and it shall be unlawful for any dealer to sell any drugs or ordinary household remedies, without complying with the requirements of this section.

CITY TRUSTEES

The Trustees of the City of Sonoma met in adjourned session last Wednesday evening. Bond of City Recorder MacQuiddy was approved. Consideration of Ordinance No. 81 relating to the \$10,000 bonding proposition was laid over for one week in order to make some minor changes to avoid all technicalities. The election day will also be postponed a few days. A special meeting will be held next Saturday evening (tomorrow) for the consideration of bids for street sprinkling.

GLEN ELLEN

The goose stories as related by Jim Pieratt and Bill Ping and which were printed at length in your valuable paper of some weeks ago, have found their equal, if not their superior, in the shape of a fish yarn which happened at Butte Creek in Colusa county, and reeled off by Mr. A. Froment of this place. The details of this wonderful story, Mr. Editor, you will receive later.

Dr. C. C. O'Donnell is renovating and repairing his many cottages on O'Donnell avenue. Jas. Gummer, the efficient foreman, has charge of the work.

A. C. Clark, who recently left for Portland, Oregon, took ill while there and is now confined in the hospital at that place. We are glad to note however, that it is nothing serious.

The picnic given by Mr. and Mrs. Eames, Rev. E. B. Payne and Jack London, to their many Oakland and Alameda friends last Sunday at their beautiful summer home "Wake Robin Lodge," near this place, was largely attended and greatly enjoyed.

Mrs. C. E. Martens is beautifying her premises by a new picket fence. Geo. M. Hardman has sold out his bakery and news depot and has accepted a position as salesman for a San Francisco firm.

L. Cobb and family are making preparations to move into the new brick residence on Tokay avenue.

A Correction

The El Verano correspondent of the Expositor made a slight mistake in a recent issue in saying that "Roxey Murphy" was being groomed for the next race meet.

It is her owner, A. W. Weaver, the El Verano blacksmith, who is grooming to shoe the race horses. The horse he shoes always wins. See? Mr. Weaver is an expert at horseshoeing. Ask his hundreds of satisfied customers.

EXPOSURE

To cold draughts of air, to keen and cutting winds, sudden changes of temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horehound Syrup is the best cure. Mrs. A. Barr, Houston, Texas, writes, Jan. 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take." 25c, 50c, \$1.00. Sold by L. S. Simmons, Prescription Druggist Sonoma, Cal.

OFFICE OF NORTHWESTERN REDWOOD CO.

Willits, Cal. May, 13, 1905.

TO THE PUBLIC:

As our lumber mills are now in full operation and ready to furnish Lumber, we have concluded to encourage building in the Northwest Addition to the Town of Willits, by offering for a limited period, namely, from date to June 5th, 1905, by subscription only, about every other lot unsold on sewer streets in said addition, at one half the price heretofore held at, and to furnish lumber at wholesale prices to purchasers of lots who will build thereon within six months from date.

As these lots are all on streets with main sewers, laid at our own expense, and the only ones in Willits entitled to sewer connection, purchasers will acquire a valuable privilege not often obtained in country towns, except at great expense. The maines of the Willits Water and Power Company are laid throughout the property, with fire hydrants on every block, and the streets are all graded and nearly all graveled and curbed, and electric lighting can be extended to all.

Prices, maps and application blanks for the purchase of lots can be had from Mr. Chas. F. Craig, Willits.

A deposit of ten Percent of the purchase price will be required, as an evidence of good faith, with each application. The deposit to be returned if sufficient lots are not subscribed for to warrant the company making this sacrifice to encourage building.

The subscription list will close June 6th and allotment will be made as soon thereafter as possible. Should two or more persons make offer for the same lot or lots, they will be awarded by lot or by bidding between the parties at the option of one or more of them.

This is a bona fide attempt to encourage building, and in view of the contemplated railway construction from Willits to Eureka of at least one railway, we are justified in expressing the opinion that no better opportunity for investment exists to-day in the state.

Any person desiring to immediately build can borrow locally on these lots at a moderate rate of interest.

Saved by Dynamite.
Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake at nights. Two physicians couldn't help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At Shoult's drug store, price 50c and \$1. guaranteed. Trial bottle free.

EDENDALE RECEPTION

The hospitable Edendalers did themselves proud at their fourth reception held in the rustic club rooms on Saturday evening May 13th.

The elements provided a most delightful moonlight night which added greatly to the charm of the surroundings, illumined with Chinese lanterns among the decorations of greens.

The dance floor was well but comfortably filled for dancing. One of the most attractive features of the evening was an atmosphere of informality which existed, thus making it possible for each guest to more thoroughly enjoy others as well as himself.

At midnight a very tempting supper was served in the prettily decorated banquet hall and the respective members, including the president, acted as waiters to the guests, consisting of fifty couples. The old proverb that "man's heart is reached through his stomach," proved a good rule on that occasion, for it worked both ways—the ladies also succumbing to the palatable dainties set before them.

Mrs. E. H. Johanssen gave a most appropriate toast to the genial hosts, followed by others from many of the guests during supper.

Dancing was resumed until an early hour. One departing guest was heard to remark that if the Edendalers made as good husbands as they did hosts, Sonoma had much to be proud of.

All are eagerly looking forward to the next occasion for another such enjoyable evening. Long hail the Edendalers!

Warning

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder disease. Sold by L. S. Simmons Druggist.

THEY THINK IT'S WORRY

Health reports from many cities comment on the alarming development of Bright's Disease. It seems to be our national complaint, and has increased enormously the last decade.

The strain and worry of our American life seems to be credited as the prime cause.

The suggestion is that we lead simpler and less strenuous lives. But we haven't time to stop and the disease is growing at an appalling rate.

The multitudes who confess kidney troubles would not seriously receive the suggestion that nine tenths of them have Bright's disease, and yet of the 63,612 deaths from kidney diseases in 1900 the census returned 28,748 (over nine tenths) as due to the particular form known as Bright's Disease.

COURT NOTES

The Healdsburg Lodge, I. O. O. F., was granted permission to mortgage property in view of the construction of a new building in the city of Healdsburg.

In the divorce suit of McMillin vs. McMullin, the court ordered that Mrs. McMullin give a bond in the sum of \$500 and order a stay of proceedings until the bond is filed. Mrs. McMullin has sued her husband, Dr. Smith McMullin of Petaluma, for maintenance of his two children. C. F. Lea represents the plaintiff, and Hon. T. J. Geary and P. A. Meyer, the defendant.

Cleared for Action.

THE OPENING GAME

The first ball game of the season was played in Sonoma last Sunday afternoon between the Oak Run team of San Francisco and the Sonoma team. The game was very interesting, and a goodly number were there.

The Sonoma boys were easy winners, as will be seen by the score below. The feature of the game was the phenomenal work of 'Brick' (no gold brick) Cannell, whose speedy twisters avoided the bat in the hands of the visiting team in a now-you-see-me—now-you-don't sort of way that was really provoking to the Frisco players.

Tipton of Sonoma, set them all agoing by making a great three-bagger with three men on bases.

A Creeping Death

Blood poison creeps up towards the heart, causing death. J. E. Seares, Belle Plaine, Minn., writes; that a friend dreadfully injured his hand which swelled like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound and saved his life. Best in the world for burns and sores. 25c at Shoult's drug store.

Our Sonoma boys did some good athletic work on the Kenwood field last Saturday. A little more practice, boys and we will listen for the cracking of old records.

The sweetness of the first embrace with the woman of his choice will always linger in a man's mind. It is a pity that the sweet memory should ever be poisoned by the taint of ill-health and consequent unhappiness. It is said that the flower of a happy remembrance should be obscured and killed by the noxious weeds of sickness and sorrow. Too frequently this is the case. A woman cannot be a happy, helpful amiable wife who suffers from weakness and disease at the very springs of her nature. Pity may grow up to take its place, but love itself seldom survives where this is the case. If a woman will, she may always hold her place in a man's mind and heart. If she will take the right care of herself in a womanly way she will never lose her rightful inheritance, a husband's love. The best of all known medicines for women is Dr. Pierce's Favorite Prescription. It acts directly on the important and delicate organs that make womanhood and motherhood possible and

Terrific Race With Death

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Shoult's drug store; price 50c.

W. H. HUDSON

W. H. Hudson, the pioneer manufacturer of soft drinks, has decided to visit Sonoma Valley regularly each week to supply his many old and new customers.

Mr. Hudson's goods are pure and the best on the market, his twenty-three years' experience enabling him to put up absolutely reliable goods whose quality never varies. Read his new ad, in another column.

The Richest Man in the World

The richest man in the world can not have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Leacock, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have cost me my life. Sold by L. S. Simmons Druggist."

ABANDONED

Sonoma Parlor No. 111, N. S. G. W., has decided not to undertake to get up the big celebration of the 4th of July as was first intended. The time of many of the members of the parlor is so much taken up by their own business, that they felt that they could not do justice to the occasion, so relinquished the work to the citizens generally. Each member, however, expressed his willingness to assist in the celebration should the citizens conclude to take the matter in hand. The parlor will give a grand ball in Union Hall on the evening of July 4th.

Rev. F. W. Reid resigns. At a meeting of the congregation, held after the morning service on Sunday last, the Rev. F. W. Reid tendered his resignation as pastor of the Congregational church of Sonoma, and after some discussion it was accepted.

Rev. Reid is a talented architect as well as a scholarly and faithful minister of the gospel, and has received many flattering offers to take up that work. His specialty is church architecture and already four large churches have accepted his plans.

Mr. and Mrs. Reid have not as yet fully decided where they will locate, but it will probably be in San Francisco. Mr. Reid's plans for a \$10,000 church at Cloverdale have been accepted and work will commence immediately.

Rev. and Mrs. Reid have made many friends during their stay in Sonoma, who will wish them happiness and success in their new home. Having closed a deal for a large line of the finest millinery at a price far below the usual, for such goods we are enabled to show you greater bargains than ever.

Agua Caliente Springs

Big Events Saturday and Sunday Attract Large Crowds

Last Saturday evening's train brought to Agua Caliente, Company E., N. G. C. of San Francisco, a number of officers of the National Guard, and about eighty guests who came to witness the sham battle and enjoy a brief stay at the popular resort.

After laying out the camp and pitching the tents, an informal reception was held Saturday evening, at which the brave soldier boys received a hearty welcome. Sunday afternoon the sham battle took place, witnessed by 600 people from Sonoma Valley and other sections of the state.

The camp was considered the city and fort to be captured, a small guard being left there, while the body of the troops scattered in the hills above the hotel. The attacking party gradually approached the fort, then at a signal from the captain a general assault was made, resulting in the taking of the "stronghold," of course.

The sham battle was a cleverly executed military manoeuvre, and was intensely interesting to the throng of people who accepted Mr. and Mrs. Richards kind invitation to witness the great event.

Sharply at 4:30 p. m. reveille was sounded, the company formed and marched to the spacious, brilliantly lighted and beautifully decorated dining-room and enjoyed a fine repast before their departure on the last train to the metropolis. The decorations of the dining room were under the direction of Mrs. L. V. Emparan, whose well known artistic taste was never better displayed.

"The best place we were ever in!" "Wish we could stay!" Oh, my! but the table was good!" and such similar expressions were heard on all sides, from the soldier boys and their friends who were all loath to leave.

At the depot, awaiting the train, three rousing cheers were given for Agua Caliente Springs, three more and a tiger for Mine Host Richards, who so royally entertained the delighted guests.

A POSITIVE NECESSITY

Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. I can cheerfully recommend it as the best medicine for bruises ever sent to the afflicted. It has now become a positive necessity upon myself. D. R. Byrnes, Merchant, Droversville, Texas. 25c, 50c, \$1.00 Sold by L. S. Simmons Prescription Druggist, Sonoma, Cal.

CHANGE OF DATES.

The date of the grand opening of El Verano Villa has been changed to Saturday evening May 20 instead of May 27, as was first announced. Note the change and remember, you're invited.

Growing Aches and Pains

Mrs. Josie Sumner, Bermond, Texas, writes April 15, 1902: I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. "It is the liniment I ever used." 25c 50c \$1.00 Sold by L. S. Simmons Drug, Sonoma, Cal.

REV. F. W. REID RESIGNS

At a meeting of the congregation, held after the morning service on Sunday last, the Rev. F. W. Reid tendered his resignation as pastor of the Congregational church of Sonoma, and after some discussion it was accepted.

Rev. Reid is a talented architect as well as a scholarly and faithful minister of the gospel, and has received many flattering offers to take up that work. His specialty is church architecture and already four large churches have accepted his plans.

Mr. and Mrs. Reid have not as yet fully decided where they will locate, but it will probably be in San Francisco.

Mr. Reid's plans for a \$10,000 church at Cloverdale have been accepted and work will commence immediately.

Rev. and Mrs. Reid have made many friends during their stay in Sonoma, who will wish them happiness and success in their new home.

Mrs. Otto Musser, formerly of Sonoma, has returned to her home in San Francisco, after a pleasant visit with her friend, Mrs. Otto Wagner of Huichica District. Mrs. Wagner had spent a few days with Mrs. Musser, who accompanied her friend home to enjoy a little of good old Sonoma air.

Word has been received here that Mr. and Mrs. Frank W. Thompson, who left recently for North Yakima, Wash., are now comfortably settled in their new home and are getting along nicely.

There's nothing nicer than Boston Brown Bread made from Allen's B. B. B. Flour and so easily and quickly made, too. Try it, you'll like it.

SPECIAL NOTICE

On the first Monday in April, Sonoma Parlor No. 111, N. S. G. W. will hold a meeting to nominate officers for the ensuing year. All members are hereby notified to be present. Fine for non-attendance.

The Greatest American Two-Cylinder Touring Car Ever Sold

FOR \$1530.00

This car is superior in design and speed, to many of the best touring cars built in 1902—costs only \$1530.00.

It is easily controlled and is quick in action. It runs on high speed up to 30 miles an hour. This machine is very popular in San Francisco as it has the power to take heavy grades on high speed. This space is too limited to give full description of the whole story is told, however, when we say "There is no other \$1530.00 machine of its class to equal it." Let us prove this to you.

Don't forget that our French Type Runabout at \$850.00 (F. G. B. San Francisco) has no equal. Our Olds Curve Dash (\$2500.00) is a standard "Jimmie on Wheels." Our Tourman (\$1500.00) is a good slow speed family car. Altogether we have twelve types of machines. OLDSMOBILEs run the year through and run for years. The wear and tear expense is \$1.00 to \$3.00 for other makes.

Our WINTON Four-Cylinder Touring Cars have all cars of their class "driven to the last limit"—4 Models, 4 to 50 H. P. \$1550 to \$4500

NEW SHORT STORIES

A Plain Clothes Official.

Whether or not Judge Sherman, the

newly elected lieutenant governor of

Illinois, will appear in evening dress at

official functions is uncertain, but his

antipathy to such conventionalities cre-

ated much amusement upon the occa-

sion of a banquet at the Union League

club.

The judge had been asked to speak

at the gathering. When he presented

himself at the door he wore a business

suit, just a few lines scribbled before

and after each battle. When we had

news of the second Shiloh he was

wounded and in prison. Dorothy and

I set out.

Ten days after the battle as we ap-

proached the camp of the victorious

army the boom of heavy artillery came

across the hills. Dorothy leaned for-

ward and struck her horse. I won-

dered if another battle were on and

knave the same thought was in her

mind.

The pace she set was hard, but our

ride was short. Under a mile we jerk-

ed our horses back on their haunches,

stopped by the roadside, and I knew

er I showed our passes, and the sol-

dier directed us to General Grant's

headquarters for the day, a lonely old

farmhouse on the brow of a hill about

a quarter of a mile from the camp.

After some little delay a guard led

us in. I knew at once it was Grant

himself, a thickset man with a heavy

brown beard, in a faded blue uniform.

He was seated by a table in the mid-

dle of the room, looking up, and the

back toward the door stood scruti-

nizing some papers spread on the

table between them. Dorothy stepped

into the room and I followed her.

"The lady, sir," the guard announced,

and the light of recognition flashed

into the eyes of Jack Kellogg, my

brother's classmate and chum at West

Point, as he came forward to greet
